KIMBERLY - South Africa, WCF SHOW LICENSING

New York, April 12th , 2008

License # 8357 - AFRICA CONTINENT SHOW
C-393/ZA- 0215

To: CASA - Cat Association of Southern Africa

Att: Johan Lamprecht

With courtesy-copy to the invited judges who have email address

Dear President,

This license is to give you the right to hold the show listed below once it is licensed under WCF Show Rules and Regulations. No American Rings are allowed in WCF Shows, only WCF Rings. See approved rules for that purpose.

Country: South Africa.

Club: CASA – Cat Association of Southern Africa (ZA - 0215)

City: KIMBERLY

Date: May 30th, 2008 (ONE DAY SHOW - ONE CERTIFICATE ONLY)

Judges:

Jane Vermeulen, South Africa (WCF AB Judge)

Dina Freitas. South Africa (WCF AB Judge)

Rita Weiseman, South Africa (WCF AB Judge)

Brenda Neukircher, South Africa (WCF LH, SLH Judge)

Note. No other judge is allowed to judge this show.

Please remember to place on stage a large WCF Symbol and print this license on one of the first pages of show catalogue. Only Shows with licensing printed on show catalogues prove they are really licensed and valid for WCF awards.

Shows which licenses are not printed in the show catalogues are not licensed by WCF, and the Club will face Disciplinary Action and fine charges as approved by last G.A

We would like to remember to all of you those very important things:

ALL SHOWS MUST BE LICENSED and Licenses must be printed on Show Catalogues. Fine of U\$ 200 will apply if Club does not comply with this resolution.

In All World and International Shows with foreign judges or exhibitors, all Announcements and Cat Calls during the show and Best in Show Ceremonies, MUST BE made also in English, not only in the native language of the country.

In WCF shows, cats cannot be judged more than once per day even in combined shows with two or more clubs, under penalty of rules.

Judge names cannot be added to this license. Please ask for a new license if you need to invite other judges at least 45 days before the show date.

A copy of this show catalogue must be sent to Mr. Ruschi by regular mail, within 10 days from the show date according to General Assembly decision.

Please buy Show Certificates from WCF treasurer at least 50 days in advance and send the C number together with all the data when requesting a license at least 45 days prior the show date. City or date change requires new payment and new C number.

We from the Board wish you all the best for this upcoming show.

Best regards

Paulo Ruschi

CASA – The first World Cat Federation club in Africa

On 1 March 2007, South Africa and the African continent joined the ranks of the World Cat Federation, when the board voted for the acceptance of The Southern Africa Cat Council as a member under patronage. Full membership will be granted officially during the GA meeting to be held in August 2008.

The World Cat Federation is one of the largest, if not the largest, Pedigreed Cat Organisation in the world. It is difficult to accurately determine the number of clubs, members and cats involved, as clubs register members and their cats individually and not centrally, as many of the other large international bodies do. It is not possible to directly compare figures. A visit to the website proves the impressive number of confederations, federations and clubs affiliated to WCF, the large number of recognised judges and the large number of shows taking place somewhere in the world throughout the year. Now that the African continent also has representation, WCF covers the globe for all practical purposes.

An abstract from the website summarizes it very well as follow:

About World Cat Federation

The WCF was founded on 1988 in Rio de Janeiro, Brazil by three clubs which were seeking for more democratic and human procedures in the cat fancy, more than other existing federations ever had. Right now the WCF consists of more than 540 clubs throughout the world covering all continents including the United States.

The WCF is registered in Germany as "eingetragener Verein" (registered association) and since the European community is ready - in Brussels as an European Federation, too.

The WCF takes part at consultations, arranged by the European parliament in Strasbourg, and is responsible for animal welfare and legislation in some working parties and hearing. A WCF member, whether it is a club or a federation, is independent in his business.

The philosophy of WCF is one of inclusivity, rather than exclusivity and it accepts all cats registered with any member body of the World Cat Council, as well as cats registered with most of the other major non-affiliated cat organisations on it's shows, without the need of re-registration. WCF was a founder member of the World Cat Council (WCC) and strives for global co-operation in the cat world, while most of the local affairs of clubs, shows and registration remains with the local club, allowing for cultural differences and ensuring that most of the revenue from registrations, shows, etc. remain with the club and it's members.

South African cat lovers has never practically had access to international competition. That has all changed now, as WCF awards (titles, as it is referred to internationally) are recognised internationally and an award attained in South Africa would count if a cat is exhibited in any other WCF show in the rest of the world.

A cat may only receive one award per day at WCF shows and all classes are separated according to the title of the cat, breed, colour, pattern and sex (and age groups in kittens).

WCF shows are classified as National, International and World shows and are officially licensed by the board and published on the website.

WCF allows only one major award per class, to the cat awarded an Excellent 1 placing, if the cat is of sufficient quality to receive the required point score. Titles are awarded as follow:

Champion/Premier – 3 CAC/CAP at national or international shows from 3 different judges. 93 points required for this award.

International/Regional Champion/Premier – 3 CACIB/CAPIB at 3 international shows from 3 different judges in 2 different countries or regions. 95 points required for this award.

Grand International/Regional Champion/Premier – 3 CAGCIB/CAGPIB at 3 international shows from 3 different judges in 2 different countries or regions. 97 points required for this award.

European/Continental Champion/Premier – 3 CACE/CAPE at 3 international shows from 3 different judges in 3 different countries. 97 points required for this award

Grand European/Continental Champion/Premier – 3 GCACE/GCAPE at 3 international shows from 3 different judges in 3 different countries. 98 points required for this award.

World Champion/Premier – 3 CACM/CAPM at 3 international shows from 3 different judges in 3 different countries on 2 different continents. 98 points required for this award.

World Shows – One award received at a world show, where a judge from the extended board of WCF must officiate, counts as an award received in another country or continent. Only one world show per year is allowed per country, under special license from the board.

CASA has had 4 successful shows already – two in the Eastern Cape, one in Gauteng and one in Cape Town There are already several WCF Champions and Premiers in South Africa.

The philosophy of CASA is to enjoy our wonderful hobby in a spirit of friendly competition, complimentary to any other existing cat organisation and to use our energy to promote, build and improve in an environment where we feel welcome and appreciated. Let's hope that all our members will be allowed and able to live our dream for a long time to come.
