## CASA – The first **World Cat Federation** club in Africa

On 1 March 2007, South Africa and the African continent joined the ranks of the World Cat Federation, when the board voted for the acceptance of The Southern Africa Cat Council as a member under patronage. Full membership will be granted officially during the General Assembly to be held in August 2008.

The World Cat Federation is one of the largest, if not the largest, Pedigreed Cat Organisation in the world. It is difficult to accurately determine the number of clubs, members and cats involved, as clubs register members and their cats individually and not centrally, as many of the other large international bodies do. It is not possible to directly compare figures. A visit to the website proves the impressive number of confederations, federations and clubs affiliated to WCF, the large number of recognised judges and the large number of shows taking place somewhere in the world throughout the year. Now that the African continent also has representation, WCF covers the globe for all practical purposes.

The website of the WCF club in Dubai summarizes it very well as follow:

### **About World Cat Federation**

The WCF was founded on 1988 in Rio de Janeiro, Brazil by three clubs which were seeking for more democratic and human procedures in the cat fancy, more than other existing federations ever had. Right now the WCF consists of more than 540 clubs throughout the world covering all continents including the United States.

The WCF is registered in Germany as "eingetragener Verein" (registered association) and since the European community is ready - in Brussels as an European Federation, too.

The WCF takes part at consultations, arranged by the European parliament in Strasbourg, and is responsible for animal welfare and legislation in some working parties and hearing. A WCF member, whether it is a club or a federation, is independent in his business.

The philosophy of WCF is one of inclusivity, rather than exclusivity and it accepts all cats registered with any member body of the World Cat Council, as well as cats registered with most of the other major non-affiliated cat organisations on it's shows, without the need of re-registration. WCF was a founder member of the World Cat Council (WCC) and strives for global co-operation in the cat world, while most of the local affairs of clubs, shows and registration remains with the local club, allowing for cultural differences and ensuring that most of the revenue from registrations, shows, etc. remain with the club and it's members.

South African cat lovers has never practically had access to international competition. That has all changed now, as WCF awards (titles, as it is referred to internationally) are recognised internationally and an award attained in South Africa would count if a cat is exhibited in any other WCF show in the rest of the world.

A cat may only receive one award per day at WCF shows and all classes are separated according to the title of the cat, breed, colour, pattern and sex (and age groups in kittens).

WCF shows are classified as National, International and World shows and are officially licensed by the board and published on the website.

WCF allows only one major award per class, to the cat awarded an Excellent 1 placing, if the cat is of sufficient quality to receive the required point score. Titles are awarded as follow:

**Champion/Premier** – 3 CAC/CAP at national or international shows from 3 different judges. 93 points required for this award.

**International/Regional Champion/Premier** – 3 CACIB/CACIP at 3 international shows from 3 different judges in 2 different countries or regions. 95 points required for this award.

**Grand International/Regional Champion/Premier** – 3 CAGCIB/CAGPIB at 3 international shows from 3 different judges in 2 different countries or regions. 97 points required for this award.

**European/Continental Champion/Premier** – 3 CACE/CACP at 3 international shows from 3 different judges in 3 different countries. 97 points required for this award

**Grand European/Continental Champion/Premier** – 3 GCACE/GCAPE at 3 international shows from 3 different judges in 3 different countries. 98 points required for this award.

**World Champion/Premier** – 3 CACM/CACP at 3 international shows from 3 different judges in 3 different countries on 2 different continents. 98 points required for this award.

**World Shows** – One award received at a world show, where a judge from the extended board of WCF must officiate, counts as an award received in another country or continent. Only one world show per year is allowed per country, under special license from the board.

CASA has had 2 successful shows already – one in the Eastern Cape, one in Gauteng and the 3<sup>rd</sup> International show is scheduled for 24 November 2007, in Cape Town

At the time of writing there are already several cats with two CAC/CAP titles and hopefully before the end of 2007 we will have our first WCF Champions and Premiers in South Africa.

The philosophy of CASA is to enjoy our wonderful hobby in a spirit of friendly competition, complimentary to any other existing cat organisation and to use our energy to promote, build and improve in an environment where we feel welcome and appreciated. Let's hope that all our members will be allowed and able to live our dream for a long time to come.

Johan Lamprecht

President - CASA
